Nassau County Medical Society

Councilor's Report – March 5, 2020
Paul Pipia, MD, Councilor

1. The process of the Sale of our location is at the Attorney General currently.
2. A committee has been formed to look at locations for our new HQs.
3. The Nassau Academy of Medicine seminar on January 30, 2020 at Season's 52 sponsored by MILMIC, was a great success. We had over 35 people in attendance.
4. The Nassau Academy of Medicine is currently working with a student group from Bryant University in Rhode Island to present a workshop for MDs at a local library.
5. The President's Gala has been confirmed for June 25, 2020 at Oheka Castle. It has been decided that we will be honoring Dr. Ente.
6. The 2020 Executive Director Conference will be on September 30, October 1 & 2, 2020 at The Kartrite Resort and Waterpark.
7. The Nassau County Medical Society will be hosting our first Membership Meeting of 2020 at The Westbury Manor on March 26, 2020 with the topic being "The latest updates on the Coronavirus: What do we know?"
8. The Nassau Academy of Medicine partnering with PMI (Practice Management Institute) to offer continuing education to our medical professionals. We are planning an event for May 2020.
9. The Downstate Executive Directors met on February 14, 2020 in Westchester to discuss various agenda items with a primary focus on the electronic process for Worker's Compensation.
10. The Executive Director is continuing her efforts to reinforce our local partnerships by attending the YPS/RFS/MSS Symposium on February 29, 2020, the NSUH Annual Gala at The Garden City Hotel in March and by being invited to 100 Women Who Care About Long Island Event.
