

Medical Student Section of the Medical Society of the State of New York
Councilor's Report Summary
September 15th, 2016
Christina Kratschmer, Councilor

1. The next MSSNY-MSS meeting will be held on September 15th. Dr. Rothberg is helping us to get a member of the NYS legislature to come speak to us.
2. Recruitment is well underway at most schools. Policy submissions are due in early September for the AMA MSS Interim meeting so most schools are using that as an introduction to the AMA.
