This report reflects the financial status of MSSNYPAC during the dues collection period of 8/1/16 through 3/2/17. We collected $131,695.01 from 660 contributors. Each dollar contributed to MSSNYPAC is split between operating expenses and contributions to candidates in a ratio of 2:8. In comparison to the same period the previous year, 8/1/15 through 3/2/16, we collected $145,385.47 from 820 contributors. We are reaching out to this specific group of non-renewers to ask them to rejoin. As well within the last week, we have sent a letter to all MSSNY members who are not currently supporters of MSSNYPAC asking them to join.

**Seeking Audience with Physicians**
MSSNYPAC asks all donor-leaders of MSSNY to assist us to better reach local physicians by securing time on staff meeting agendas by self-identifying their group practice, hospital or medical staff. Additionally, we also seek to identify motivated physicians to fundraise locally on our behalf and speak to physicians to promote MSSNYPAC.

**Calling Donors to the Spotlight**
MSSNYPAC will feature physicians who support MSSNYPAC. We are asking supporters who would like to participate in this spotlighting of our donors to submit a photo (optional but preferred) and information about yourself that you would like included. Here are some questions you can use to shape your submission:

- What do you want readers to know about you? (specialty, med school, family, practice environment, special talents, the part of your work you are most passionate about)
- What is your website if you wish people to contact your practice or learn more about you?
- Why do you contribute to MSSNYPAC at the level you do? (President’s Circle, Chairman’s Club, Patron, Sponsor, Benefactor or basic level)
- How is your contribution to MSSNYPAC helpful to your personal medical practice? The profession overall?
- Are there any MSSNYPAC activities or events that stand out as particularly impactful?
- What encouragement can you offer for the medical student, resident or newly practicing physician?

This feature may be used in MSSNYPAC or MSSNY communications including on our website, in eNews, on social media or in printed materials and for the purpose of highlighting PAC participation by the physicians, residents, students and Alliance members who are do great things every day in their communities and around the globe.
