Medical Student Section Report

The Spring MSSNY MSS meeting was held on Saturday, February 11th in Westbury, NY. Approximately 40 students were in attendance. For the second year now we had a joint meeting with the RFS and YPS which allowed for some terrific programming. We had speakers on financial planning for physicians and on telemedicine/tele health. We held elections for the 2017 to 2018 governing council as well as our task forces and committees. Results are included below.
