Our Mission:

to support our physicians and promote health in our communities

MSSNY Council – Alliance Report

June 22, 2017

The Alliance would like to congratulate Dr. Charles Rothberg, our new President of the Medical Society of the State of New York. We wish him every success in the upcoming year. The members of the Alliance are very appreciative of the support that Dr. Malcolm Reid extended to us over the past year during his very successful term as President.

The Alliance would like to extend a big THANK YOU to the members of MSSNY that supported our raffle that was held during the HOD in Tarrytown. Together we raised \$1730.00 in a single night during the MLMIC dinner. We thank you all for your generosity. These funds will be distributed to the Physicians Home, the Belle Tanenhaus Education Fund, the AMAA AHEI fund and the AMA Foundation. This money will go a long way in supporting these great causes.

The Annual Meeting for the Alliance was held in Tarrytown, April 20-21, 2017. This year our meeting focused on membership retention and recruitment of new members. Our goal, once again, is to look at what our members want when they join our group and to look at what we need to develop as an organization in order to retain them once they join. Our organization continues to be the volunteer voice for healthy families.

Once again, we will have three State Presidents each serving a term of four months. Valerie Semeran from Onondaga County will serve from May through August, Helena Mirza from Schenectady County will serve from September through December and Barbara Ellman will serve from January through April. We all agreed that our collective goal must be to make our State Alliance relevant in order to attract new members using a value-based approach.

We would like to, once again, remind the MSSNY Council that the Alliance is available to assist you as you carry out the mission of the Medical Society of the State of New York.

Respectfully submitted,

Valerie Semeran, Helena Mirza, and Barbara Ellman, 2017-2018 Alliance Co-Presidents
