*Don't miss out! The deadline to register and report for Meaningful Use in the New York State Medicaid Electronic Health Records (EHR) Program is **September 15, 2017**. This is the last chance for eligible professionals to join the program!*

Meaningful Use Deadline: September 15, 2017

Last Chance to Join the Meaningful Use Program

Total Incentives: \$63,750

Is your practice utilizing an EHR system to monitor and measure quality improvement activities?

If so, you could be eligible to receive up to \$63,750 over six participation years in the Medicaid EHR Incentive Program – up to \$21,250 for your first year and \$8,500 for each of the remaining five years. Some of the Meaningful Use reporting requirements align with Medicare's Quality Payment Program, so it is possible for you to meet both programs simultaneously.

To participate in the EHR Incentive Program, you must have a [certified](#) EHR system, be enrolled as a fee-for-service New York Medicaid provider, and be registered with CMS.

**Incentive payments continue until 2021, but new Eligible
Professionals must be registered and able to report 2016 EHR
measures by September 15, 2017.**

To find out if you are eligible and to learn about the registration process, please see the attached requirements and checklist for deadlines.
