MSSNY Council – Alliance Report
November 2, 2017

The format for our Fall Conference changed this year. We held a WebEx Webinar Fall Conference on October 16th. It was a great opportunity for those who have been unable to attend the Conference in the past to join in. It was wonderful to have Kim Moser the AMA Alliance President join us.

SAVE (Stop America's Violence Everywhere) Day was held on Wednesday October 11th. In light of the recent shooting in Las Vegas, we encouraged our members to read Dr. Rothberg's article in the October 6th issue of *MSSNY E-News*: "Gun Violence: Everyone's problem". The article was an item for discussion at our Fall Conference.

The Alliance will continue to urge Governor Cuomo to veto One-Sided Medical Malpractice Expansion Legislation.

Our counties continue to raise philanthropic and scholarships monies.

Please remember that the Alliance is here to assist you in any way we can.

Respectfully submitted,

Valerie Semeran, Helena Mirza, and Barbara Ellman
