to support our physicians and promote health in our communities

MSSNY Council – Alliance Report
January 18, 2018

The Alliance with the Medical Society of the State of New York wishes all of the physician members of MSSNY (and those who have not yet joined but hopefully will) a happy, healthy and fulfilling New Year. We wish that the hard work done by the involved members and leadership of MSSNY and MSSNYPAC, together with MSSNY staff and the Alliance, will bear fruit in the coming year for the benefit of the physicians of the State of New York and their patients, who depend on them. With EVERYONE'S help and involvement, 2018 could be an incredible year for medicine.

Respectfully submitted,

Barbara Ellman, Helena Mirza and Valerie Semeran
2017-2018 Alliance Co-Presidents
