Report to MSSNY Council for March 6, 2018

Robert Hesson, MD, Councilor

Broome County Medical Society

A January 10, 2018 meeting was held with Stephen Dahmer, MD, Chief Medical Officer, Vireo Health of New York on "Updates on the New York Medical Cannabis Program 6 Two Years Later".

Holding the our 9th annual "Health Information Fair" at the Oakdale Mall on Saturday March 10th. Participants from local organizations along with some of our physicians, residents, students and nurses participate in answering questions, providing blood pressure checks, and hand out information on their organizations to the public.

Tompkins County Medical Society

A January 18, 2018 meeting was held with our Tompkins County Medical Society past-president, Hank Gerson, MD, Ithaca, NY speaking on "Mind Over Burnout".

February 21, 2018 meeting held with Leslie Prichep, PhD, Chief Scientific Officer from BrainScope Company speaking on "Utilizing a Brain Injury Assessment System in the Acute Setting". Dr. Prichep has focused on development of EEG based biomarkers to aid in the assessment of Traumatic Brain Injury and concussions.

District

We have five people attending the MSSNY Advocacy Day on March 7 in Albany.
