

# Nassau County Medical Society

Councilor's Report – January 24, 2019

Paul Pipia, MD, Councilor

- I. During the close of the 2018 year The Nassau County Medical Society and The Nassau Academy of Medicine engaged Aaron Kumar, MD, MBA to assist us as our Executive Director. We want to thank The Suffolk County Medical Society and The Suffolk Academy of Medicine for sharing their Executive Director with us. We welcome him as we look forward to 2019 and future possibilities of engaging members, increasing revenue, and reducing costs.
- II. The closing on the sale of the building is moving in a positive direction with finalization hopefully within this year.
- III. The Executive committee met on December 11<sup>th</sup> and discussed our operational strategies, accounts and membership engagement.
- IV. The Executive committee again met on January 8th. The meeting was attended by invited medical students who joined us from NYIT and Hofstra. It was discussed and voted to have a PA representation at our Board meetings. Dr. David Podwall raised membership engagement which including the anticipated MSSNY PAC event for our new group members.
