### **MSSNY OMSS Annual Meeting – Join Us!**

The Organized Medical Staff Section will kick off the 2019 MSSNY House of Delegates with its annual meeting on Thursday, April 11, 2019, between 3:00 and 6:00 pm at the Westchester Marriott.

The firm of Garfunkel Wild will present a one-hour interactive program on medical records, specifically regarding today's issues over the prescribing of controlled substances. They will examine common mistakes being made over and over, as well as the perspective of regulators, insurance companies, and auditors. A segment on telemedicine and the medical record will be included. OMSS will follow with its business meeting.

Please join us!

### **Hospital Medical Staff Contacts**

OMSS is looking into revamping and updating MSSNY's data on hospital medical staff contacts. There have been considerable changes recently due to hospital mergers, closures, and changes of name. Our aim is to be able to swiftly and efficiently contact all medical staff presidents in New York State when vital information is available.
