Women in Medicine: Reaching Your Potential Now!

Women Physicians Caucus
Friday, April 12, 2019
5:00 – 6:30 pm
Grand Ballroom B

A panel presentation on PAY, PROMOTIONS and CAREER ADVANCEMENT in Academic Medicine, Private Practice and Organized Medicine

Gender imbalance in medicine and academic sciences still exists. Hear three women physicians who have achieved significant leadership positions describe their own pathways, provide advice on how to achieve success, and show how to overcome gender bias, gender pay gaps and system-wide barriers to career advancement.

Learn how to achieve success in your career!
