

Data Exchange Incentive Program (DEIP) Step-By-Step

The DEIP offers a one-time incentive to help providers offset the cost of connecting to the SHIN-NY via a Qualified Entity (QE)

Providers can expect to receive the Milestone incentive(s) between **four to six** months upon completing and submitting the required documentation (documentation is submitted by your QE but requires your signature and attestation to its accuracy)

For questions regarding the DEIP or the status of your enrollment and/or incentive payments, please contact deip@nyehealth.org or your QE:
