

The MSSNY Young Physician Section held virtual meetings on December 8, 2019 and January 5, 2020. Our goal for the next year is to increase young physician involvement in organized medicine at the county, state and national levels. We welcomed several new members and discussed how to get and stay involved in organized medicine and promoted the upcoming MSSNY Physician Advocacy Day and MSSNY House of Delegates. Our Governing Council and staff have been working with the RFS and MSS and we have planned a joint social networking event and a joint educational session for our annual meeting. We would appreciate the support of the council in promoting our upcoming meetings.

Upcoming Meetings:

February 9 at 6 PM – General Membership Virtual Meeting

February 28 6-9 PM – YPS/RFS/MSS Social at Sessions 73

February 29 8:30AM-12:30PM – YPS Annual Meeting at NY Academy of Medicine

March 1 at 6PM- General Membership Virtual Meeting/Election of 2020-21 YPS Officers and Delegates

April 5 at 6PM – General Membership Virtual Meeting

Respectfully Submitted,
