

**Medical Student Section**  
**Councilor Report 09/09/20**  
**Shireen Saxena**

**Student Recruitment**

There is significant effort being invested into designing novel recruitment strategies which are completely virtual during COVID-19. Thus far, plans include:

- Series of virtual and individualized “Meet and Greet” sessions with the MSS Chair of Recruitment and each NY State Medical School
- Virtual lunch series for all NY medical students featuring *guest speakers* throughout Fall semester
- Streamlining the sign-up process for new members using Google Forms

**Fall MSS Meeting**

The MSSNY MSS will hold our Fall 2020 meeting virtually this October. Specific date and time as well as adjustments for virtual format to be determined in the coming month.
