

MSSNY Council Report: 8th District

1. **Buyer of 1317 Update:** We are awaiting the confirmed closing date on the sale of the building of the former location of the Medical Society of Erie County, which is slated to occur next month, February 2021.
2. **Member Benefits Emails:** The MSCE has been issuing member benefits emails to encourage renewals and new membership among physicians in Erie County. The emails are being issued to non-member contact information gleaned from the FOIL data and will include marketing and recruitment support as member benefits.
3. **COVID-19 Vaccine Collaboration:** The Medical Society of Erie County has been asked to serve as Coordinator of the WNY COVID-19 Workgroup, which consists of 25 regional stakeholders who have come together to streamline best practices relating to the COVID-19 pandemic.
4. **Local Physician Participation on MSSNY Committees:** The Medical Society of Erie County has submitted all candidates and their CVs to MSSNY in order to participate at the State Committee level.
5. **MSCE Bylaws: The Medical Society of Erie County submits their revised bylaws for review today in an effort adhere more closely to the MSSNY Bylaws.**
6. **MSCE Book: Status update:** The Medical Society of Erie County has submitted their proposed cover image, their 200th President's foreword, Introductory Chapter, and the Condensed Table of Contents consisting of 10 chapters to Arcadia Publishing in efforts to mark milestones in medicine throughout WNY over the last 200 years.
