We respectfully request that leaders of MSSNY and County Medical Societies support our ongoing work to build relationships with the members of the NYS Legislature. Your membership in MSSNYPAC and encouragement of your colleagues strengthens the physician's collective voice in the political arena. A strong PAC is a critically important tool of our profession. Considering the many policy initiatives that potentially impact healthcare delivery, it is vital that we work together toward our mutual goals. **Therefore, we ask all leaders of MSSNY, all county medical society leaders, all members of MSSNY committees to support MSSNYPAC at the highest level you are able and take one further action to encourage a colleague to support as well.**

MSSNYPAC thanks its President's Circle and Councilor's Club members for their generous support.
