

Medical Society of the State of New York

Report of the 9th District Branch

November 4, 2021

Thomas T. Lee, MD, Councilor

The Medical Society of the State of New York's 9th District Branch is comprised of the following county medical societies: Dutchess; Orange; Putnam; Rockland and Westchester.

Below is the Report of Activities within the 9th District Branch of MSSNY as reported by County:

- The WCMS BOD met via Zoom on Thursday, October 14, 2021 where we discussed legislative issues and updates; our upcoming Golf Outing set to take place on Thursday, October 21; and organizational topics specific to our county society. Our board will meet virtually again in November, and we will resume in-person meetings and events once it is safe to do so.
- WAM held its annual our annual golf outing Thursday, October 21, 2021 at the Westchester Country Club in Rye New York. We had a beautiful day for golf with 30 people in attendance; this year's outing was smaller but limited due to COVID. We are looking forward to next year's outing returning to normal capacity.
- WAM will host a wine tasting night for our student section on the campus of New York Medical College in November. Our members and guests will offer samples of their homemade wines and offer mentorship opportunities to our local students. A date has not yet been set for this event, but we are working with our students to find the optimal time to host. Once a date is firmed up we will share it with MSSNY and our membership. All are welcome.
- WCMS was able to make a \$1,000 donation to the MSSNY PAC as a county in support of its efforts. Our board of directors was happy to contribute.
