

MSSNY THIRD DISTRICT REPORT

Brian P. Murray, MD, Councilor

JANUARY

- **COMMUNITY CARE PHYSICIANS TO JOIN MSSNY:**
We are very pleased to announce that Community Care Physicians, the largest independent practice group in the capital region, has agreed to join MSSNY. This is a goal that we have coveted for very long time. Community Care has joined forces with the Capital District Physician Health Plan (CDPHP) to form an MSO. Other physicians who join the MSO will also be MSSNY members.
- **MSSNY THRID AND FOURTH DISSTRICIT RETREAT:**
We are looking forward to attending the annual MSSNY Third and Fourth District winter retreat in Lake Placid. Dr. Latreille has always assembled a fantastic program amongst the beauty of the Mirror Lake Inn.
- **DR. ALAN BOULOS NAMED INTERIM DEAN OF AMC:**

Alan Boulos, M.D., a 1994 graduate of Albany Medical College, has been named interim dean of the college, effective Jan. 1, 2022. Dr. Boulos is chair of the Department of Neurosurgery, the Herman and Sunny Stall Chair of Endovascular Surgery, founding director of neurovascular surgery, and professor of neurosurgery and radiology. “Dr. Boulos understands our history, culture, and unique position as an academic medical center, and is keenly aware of the latest advancements in medicine and medical education,” said Dr. McKenna. “I look forward to working more closely with him as he advances our college’s educational missions.”
