YPS Virtual Meetings

The YPS continues to meet on the first Wednesday of the month via zoom. At our January meeting several members volunteered for MSSNY committee work and are looking forward to engaging with MSSNY in different ways. We are beginning to plan for an annual meeting with guest speakers on financial planning and disability insurance.

AMA-YPS

The delegation to the AMA-YPS attended the virtual meeting in November. Carlos Zapata MD represented us well as the Speaker of the AMA-YPS HOD.
