## **SPECIAL REQUEST FOR LIFE MEMBERSHIP STATUS**

### **Mirza M. Ashraf, MD**

The Jefferson County Medical Society has requested that life membership status be granted to **Mirza M. Ashraf, MD.**

MSSNY's records indicate that Dr. Ashraf was dropped from membership on May 1, 2010 for non-payment of dues and was re-instated starting with the 2017 dues year. Dr. Ashraf has applied for life membership status, and this request has been approved by the Jefferson County Medical Society.

Inasmuch as Dr. Ashraf has been a member of the MSSNY since 1973 and that it should be recognized that COVID-19 has made the year 2020 even more challenging for providers who were already struggling with their daily practices to be able to support their member organizations and as Dr. Ashraf has continued to support the organization through his volunteering and active involvement on the Board of Trustees of the Jefferson County Medical Society, the Jefferson County Medical Society requests that Dr. Ashraf be granted life membership status.

The MSSNY Information Services Department concurs with the information given by the Jefferson County Medical Society.
