

Cancer Screening and HPV Vaccination During the Pandemic

A NYS Call to Action on Cancer Prevention

Tuesday, May 25, 2021

Noon to 1 pm

SAVE THE DATE and use this [LINK](#) to register for this event.

Intended Audience: Pediatric and Family Practice providers, Nurses, GI specialists, Health Plans, Primary Care Networks, OB/GYNs

Session Description: Speakers will cover national data, offer specific strategies, and share new resources to promote a return to screening and earlier than usual HPV vaccination. New York State providers will provide local context and discuss their experience during a moderated discussion and brief Q and A period.

New York State Clinicians: Dr. Christina Wang, Clinical Quality Director of Cancer Prevention, Institute for Family Health and Dr. Cynthia Rand, Assistant Professor of Pediatrics. University of Rochester Medical Center.

Caleb Levell, MPH

Strategic Director, National Partnerships & Roundtables at American Cancer Society

Mr. Levell, was previously the Director of the National Colorectal Cancer Roundtable overseeing programs and partnerships.

Moderated by:

Heather Dacus, DO, Director, Bureau of Cancer Prevention and Control, New York State Department of Health

Kristin Oliver, MD

Assistant Professor of Pediatrics at Icahn School of Medicine at Mount Sinai and Co-Chair of the National HPV Vaccination Roundtable

Dr. Oliver received her medical degree from the Icahn School of Medicine at Mount Sinai and her Master of Health Science in Health Policy from the Johns Hopkins Bloomberg School of Public Health.

Sponsored by the New York State Cancer Consortium's Colorectal Cancer Action Team and the NYS HPV Coalition
