

Epoch Health Solutions, LLC is a healthcare practice revenue cycle consulting and compliance firm that provides the highest level of professional and personal service. When you call our office you will speak directly to a partner—a professional with extensive experience in healthcare consulting. Not only do we answer the phone and our emails, but every job is staffed with our partners.

How Can We Help?

Epoch can identify and resolve your issues by assessing and improving charging and billing operations, coding, documentation, compliance, and third-party contract review and support. We specialize in Medicare, Medicaid and other third-party commercial payer reimbursement.

MSSNY Member Discount

Epoch is excited to partner with MSSNY and offer a 10% discount to its members!
