**1) Welcome**

**2) Review of January 27, 2022 minutes – accepted**

**3) Establishment of Committee Priorities**

**a) Committee Matrix** – extensive review of this committees' matrix. Removal of goals that have been accomplished or that are now solidly covered by MSSNY policy. Several additions of new goals, some of which includes: Tobacco/Nicotine dependance and use; Cannabis and how it is used; Vaping; physician education; contraception and emergency contraception availability; CBD where does it come from and how it is used; STI – Hep C. A copy of the revised matrix is attached for reference.

**b) The Healthcare Shortage – are we in crisis mode and what can be done?** This is a topic the committee felt should be the focus of a future meeting.

**4) Vaccine Workgroup Update – Pat Clancy Sr. VP PHE**

Pat Clancy gave an update on the workgroup and the updates received at yesterdays' meeting. This group encompasses members from the NYS DOH, county medical societies, medical specialty groups, physician members from MSSNY. Everyone was invited to attend the next meeting scheduled for Wednesday June 8, 2022 from 12 to 1:30 PM via zoom.

**5) Let's Get Vaccinated Campaign in NYS – informational item**

**6) Future Topics –**

- The Healthcare Staffing Shortage
- An invited guest from MSSNY's Infectious Disease Committee

**Next Meeting: October 13, 2022**
