YPS Virtual Meetings and MSSNY HOD

The YPS is meeting every other month on the first Wednesday of the month. We continue to have new members come to these meetings and many of them were able to attend the MSSNY HOD as delegates and alternate delegates. We hope this will stimulate growth in the membership in MSSNY.

AMA-YPS

Our delegation the AMA-YPS was glad to be back in person in Chicago this past week. We were well represented with Dr. Zapata continuing as Speaker of the house. In addition to our delegation from MSSNY-YPS, Dr. Blutinger was also a delegate representing EM.
