OCMS has begun a new public relations/public service campaign series focusing on issues the community wants to hear. The Executive Director has done television segments on the local ABC affiliate on Summer Safety Tips for Parents (July) [click here](#) and Keeping Kids Safe as they go Back to School (August) [click here](#). At the time of this submission, a September topic has not been chosen.

We are looking forward to engaging our membership with ongoing events and opportunities, in addition we continue to focus on non-dues revenue opportunities.

Respectfully submitted,
