

1. Status of 501(c)(3) Foundation filing by Kirisits & Associates: The Erie County Medical Society is creating a 501(c)(3) Foundation long-arm to our 501(c)(6) organization so it will be eligible to apply for grants.
2. Plans for the Gala on Friday, September 23, 2022 may be switched to a smaller event to curb costs associated with the initial event
3. Membership Recruitment Initiative at Regional Hospitals/Health Systems: The Erie County Medical Society will be having a table all day at the Kaleida Health System and include free giveaways of our book to folks who become members that day.
4. Physician Mentorship Program: (We have heard from 26 students interested in the Physician Mentorship program and are pleased to report that BMG (the second largest practice group in Buffalo) is willing to take on the mentees as possible employees, which is fantastic since the mentees had signed up for a free internship!
5. Practice Management Committee: Collaboration with members of the PMC and senior staff at Highmark to address claims, billing, and credentialing issues at Highmark.
6. Golf Outing: The Erie County Medical Society has rescheduled its annual golf outing for October 17, 2022 at the Lancaster Country Club
7. Free Marketing for One Year for all Practices with 100% Participation: The Erie County Medical Society has launched an exciting initiative to encourage member practices to give us 100% membership by offering one year of free marketing services for practices with 100% membership participation.
8. Generous MLMIC Sponsorship!: MLMIC has agreed to sponsor an event for the Erie County Medical Society at the distinguished Curtiss Rooftop on Saturday August 27, 2022 from 6:30-9:30 p.m. The private event will include open bar, pass oerderves, and a panoramic view of Lake Erie!
